Miscellaneous Items

Generator Hire (per session)*	\$ 40
Supervisor Hire (per hour) **	\$ 35
Cleaning Fee (per hour – if required) – see below	\$ 30

* A generator is only required if mains power is not available within 30 metres of the setup located. For example, a generator is usually required for a castle being set up in a park.

** Supervisors are only required if a responsible adult is not available to ensure the safe operation of the castle and to help ensure the safety of the users.

Delivery

Delivery is included free to all areas between South Perth to Bunbury and out to Boddington and Collie. We will deliver to other areas but a delivery fee is charged. Please contact us to arrange a quote.

Cleaning

On a normal hire, there is no additional charge for cleaning including slushie machines, as we allow approximately 20 minutes for a clean and disinfect after your hire. If the conditions of your hire are not followed, you will be charged for any extra time required to return the equipment to its previous pre hire condition, excluding fair wear and tear.

* Prices subject to change without notice
